No. 3 Hair Perfector

REPAIR, PROTECT, AND STRENGTHEN

No.3 is not a conditioner, it's an at home treatment that reduces breakage and visibly strengthens hair, improving its look and feel.

If you have extremely damaged hair or even dream of that silky looking hair this is the product for you. We recommend you to try out this treatment at the salon. Take home the Shampoo and Conditioner to treat the hair further. Recommended to treat the hair with No.3 once a week.
